---------------------------	--

## INSTRUCTIONS

1. Open the lid. Gently peel back the resealable sticker and pull wipes through the opening to remove. Reseal the sticker and snap the lid securely shut to retain moisture in the remaining wipes.
2. Wipe surface several times or until clean.
3. Leave surface to dry.
4. For hard non-porous surfaces that come into contact with food or surfaces touched by young children, rinse thoroughly with water after use.
5. After use, dispose of wipe in rubbish bin. Do not flush wipe down toilet. Always reseal the sticker and snap the lid securely shut to retain moisture between uses.
