INSTRUCTIONS

TO DISINFECT HARD SURFACES:

1. Spray precleaned surface until wet. Allow to stand 10 minutes to air dry.
2. For highchairs and toys: Rinse off thoroughly with water. Not intended to be used on medical devices or other therapeutic devices.

TO DEODORISE:

1. Spray on surfaces as needed.

TO ELIMINATE ODOUR-CAUSING BACTERIA ON SOFT SURFACES:

1. Always pretest on a hidden area of fabric to ensure suitability. Spray a light even coating on fabric until wet. DO NOT SATURATE. Let air dry.
2. For difficult odours or heavy fabrics, repeat application. Reapply as necessary.

TO KILL AND CONTROL THE GROWTH OF MOULD AND MILDEW:

1. Spray precleaned surface until wet. Leave 10 minutes to air dry. Repeat applications as necessary.

AS A ROOM FRESHENER:

1. Hold can upright and spray in centre of room as needed.
- Do not use on wooden furniture, polished wood, painted surfaces, leather, rayon fabrics, acrylic plastics or sealed slate tiles. Do not use on silk, rayon, acetate or satin fabrics. Avoid contact with food. Store below 30° C.

ACTIVE INGREDIENT

Ethanol 60% w/w.
